REFEREE APPLICATION

It's time to start our traditional roundup of referees for the 2008 Snowball Classic Soccer Tournament. As with prior tournaments referee fees will be paid at the fields following each game. Matches will be held at Winged Deer Park and at Civitan Park. Normal FIFA laws apply. If you are willing to referee during our tournament, please complete this form and send to our assignor. Denote any team affiliations you may have and any known scheduling conflicts. If you will require lodging for Friday and/or Saturday night make sure that is shown in the "special requests" below. Accommodations will be provided for those that cannot commute and referee at least 5 games during the tournament. Also indicate if you are a member of a team of referees that desire to work together. Additional applications can be found on our webpage: www.etsfsoccer.com
